About Me

Experienced Media buyer with a diverse background in generating creative ideas, organizing campaigns, creating engaging content, and implementing successful strategies. Skilled in design, project management, and driving brand awareness and sales growth. Ready to make a positive impact in any organization.

SKILLS & Expertises

- **Social Media Advertising Expertise:** Proficient in Meta Ads Manager, TikTok Ads Manager, Kwai Business Center, and Google Ads, with a robust understanding of Facebook agency ad account management and related services.
- **Market Knowledge:** In-depth understanding of the South American IGaming market (LATAM)
- **Affiliate Networks:** Familiar with various affiliate networks and systems, enhancing strategic partnerships and revenue opportunities.
- **Analytics and Data Visualization:** Experienced in using analytics platforms such as Google Analytics, AppsFlyer, and Adjust; proficient in data visualization tools like Tableau and Power BI.
- **Technical Proficiency:** Skilled in Structured Query Language (SQL) and well-versed in general computer operations.
- **Tracking and Analytics Systems Proficiency:** Proficient in utilizing tracking platforms such as Voluum and RedTrack for performance marketing campaigns.
- **Advertising Account Management:** Knowledgeable in utilizing advertising account management tools, specifically XMP Mobivista.
- **Leadership and Financial Management:** Proven ability to lead teams effectively and manage departmental finances while overseeing account performance.

Previous Achievements

- Successfully managed and optimized Meta advertising campaigns, achieving an expenditure of approximately \$3 million while consistently meeting KPIs in the market for LOCENT Technology. (Achieved promotion as a result of this factor.)
- Co-founded and developed an in-house advertising team for Locent Technology, resulting in a monthly advertising budget of \$1.5 million by 2024, effectively aligning with strategic business goals.
- Led a comprehensive rebranding and awareness campaign for Mikko, resulting in a remarkable 70% growth in social media followers over a six-month period.
- Implemented successful digital marketing campaigns for Mikko that contributed to a 30% increase in customer inquiries within six months, enhancing brand visibility and engagement.

Professional Experience

Lead Media Buying Specialist

Locent Technology Co.,Ltd (Dubai & Georgia Branch) | Jun 2023 – Current

- **Campaign Management & Strategy:** Oversaw Meta Ads campaigns with daily budgets from \$1,000 to \$30,000 and managed a social media content calendar to ensure a consistent and engaging brand presence across platforms.
- **Account Oversight:** Managed daily operations of over 50 advertising accounts (Meta and Google), consistently meeting KPIs for multiple products.
- **Market Promotion & Optimization:** Led targeted advertising campaigns for six products in the local market, successfully increasing brand awareness and driving sales while conducting in-depth analyses of user quality, retention rates, ROI, and ROAS to enhance campaign effectiveness.
- **Reporting & Analysis:** Prepared and presented regular performance reports to the Media Buyer Manager, summarizing key metrics and offering actionable recommendations for improving ad performance while analyzing advertising materials and user engagement for optimization opportunities.
- **Team Leadership & Mentorship:** Supervised ad consumption and operations, providing support and guidance to junior media buyers to help them achieve their KPIs, while co-founding and developing an in-house advertising team targeting a monthly budget of \$1.5 million by 2024.
- **Budget Management:** Successfully managed and optimized Meta advertising campaigns with a total spend of approximately \$3 million, consistently meeting KPIs in the market.
- **Vendor Relations:** Handled tracking system accounts and maintained relationships with ad account suppliers and Meta service providers to ensure seamless operations.
- **Strategic Consultation:** Advised C-suite executives and key stakeholders on improvements for diverse iGaming products, focusing on UI/UX enhancements, user quality, and branding strategies, leveraging insights derived from comprehensive data pattern analysis.

Digital Marketing Executive

Mikko Food Industry Co.,Ltd | Jan 2020 – Mar 2023

- Created and managed social media channels for six FMCG products, including content creation, scheduling, and publishing, while adhering to strict deadlines.
- Oversaw and managed the social media content calendar, ensuring a consistent and engaging presence across platforms.
- Collaborated with influencers and production crews to execute successful digital campaigns, leveraging their reach and creativity to maximize brand exposure.
- Created and managed PPC ads campaigns and display advertising campaigns, optimizing them for maximum performance and ROI.
- Developed an all-in-one purpose automated chatbot to streamline the marketing funnel, enhancing customer engagement and lead generation.
- Managed advertising materials, both online and offline, including printed materials, ensuring consistent branding and messaging.
- Managed monthly budgets for all digital spending, effectively allocating resources to achieve desired outcomes.

Customer Relationship Officer

Trust & Development Co.,Ltd | Feb 2017 – Aug 2019

- Developed a customer relationship framework to foster brand loyalty. This framework included implementing strategies for customer retention, engagement, and satisfaction, ultimately strengthening the company's relationship with its customer base.
- Wrote industry-related blogs with a focus on education and consideration stages of the buyer's journey. These blogs aimed to provide valuable information and insights to potential customers, positioning the company as a knowledgeable industry leader.
- Assisted in project management for ongoing truck-scale construction projects. This involved coordinating with various stakeholders, managing timelines, ensuring adherence to quality standards, and monitoring project progress.
- Conducted negotiations with hospitals to increase product displacement and raise awareness of medical scales. This involved presenting the company's offerings, addressing client needs and concerns, and working towards mutually beneficial agreements.
